## INTRODUCTION

---

Concept Clothing was established in the Year 2013 and is an Apparel, Accessories and Home Textiles sourcing company.

We specialise in supply chain planning and management allowing us better control over our order execution process.

Having a pan India vendor base, helps us to effectively manage the diverse product needs of our clients.

The office in Delhi & Tirupur (South) ensures that we are always close to the factories and to our product. We also have our presence in Karur for our Home Textiles business and in Mumbai for our specialisation in Denims.

Concept Clothing has a team of professionals spread across India, dedicated Marketing & Design team in Paris and Design Studio in Barcelona.

We constantly evolve with emerging market trends to develop new designs and offer best sellers. Our research brings insightful market information to our customers about competitive brands which help in developing differentiating advantages.

Our passion for Textiles and our enthusiasm for Creativity and innovation binds us together in our pursuits of higher goals.
